New Zealand Community for Christian Meditation

## Desert Wisdom with Rosie Dell

Saturday 21st August 10am to 2:30pm

Saint Joseph's Catholic School, 200 Normanby Road, Paeroa 3600

Arrive to morning tea or coffee!

At this Community Day guest speaker Rosie Dell will talk about directing our thoughts towards God.

***'We all have vulnerabilities of thought, which cluster into eight areas common to us all. When we become aware of these thoughts, there are tools which we can use to redirect these towards God.'***

***For those who missed the National Retreat earlier this year, this is your opportunity to gain a condensed version of these valuable teachings.***

*"The retreat content was invaluable, practical tools I have since used on a daily basis" Raymond Eberhard*
