Pilgrimage and Bonnevaux

Two of our fellow meditators will share their photos and experiences

Kitty Chiu believes pilgrimage to most people is a physical journey to a holy destination. Kitty will take us walking and contemplating together as she retraces her steps along the French Camino – the Way of St James.

Fr Peter Murphy has recently returned from a three-month sabbatical at Abbaye de Bonnevaux, the newly established centre for the World Community for Christian Meditation. He will speak on his experience there and of the importance the centre has for the future of the Church in the world.
